CYPRUS INVESTMENT PROGRAM

The Cypriot government, as part of its efforts and policies aimed at attracting foreign investors to Cyprus, has established a set of legislation and financial criteria that allows non-Cypriot high net worth individuals and investors, as well as their families, to obtain Cypriot citizenship through naturalization. This scheme is known as the Cyprus Investment Program (CIP), and allows successful applicants to obtain Cypriot citizenship in six (6) months. An application to the Cyprus ministry of interior is needed, through a lawyer.

Family

- Investor and spouse
- Dependent children up to 28 years of age
- Parents of main investor
- Citizenship is passed on

Fast Procedure

- Permanent Residence in 7 days
- Passport issued in 6 months

Travel Visa Free

- Travel to 173 countries visa free
- Quickly obtain visa for other non-EU countries such as USA
- Work, live, travel anywhere in the EU

Education and Health

- Cypriot citizens are able to attend schools and Universities in EU countries either for free or at reduced rates
- Access to first class health services in EU countries

Investment Choice

Eligible investments include financial assets of an established real estate developing company/ies with mature project, amounting to at least €2 million. This option translates to profits for the investor from day 1

REQUIREMENTS

- Purchase a main residence at €500,000 (plus VAT if applicable). In addition, invest a minimum of €1.5 million in total in residential property or €2 million in total in other eligible options for a minimum period of 5 years.
- Donation of €75,000 to the Cyprus Land Development Corporation. Donation of €75,000 to the Research and Innovation Foundation, subject to certain exceptions
- A clean criminal record
- Investor's name must not be included on the list of persons whose property is ordered to be frozen by the EU
- Applicants who were previously rejected for citizenship by any other EU country are not eligible under the CIP
- Holder of a valid Schengen visa when submitting a CIP application

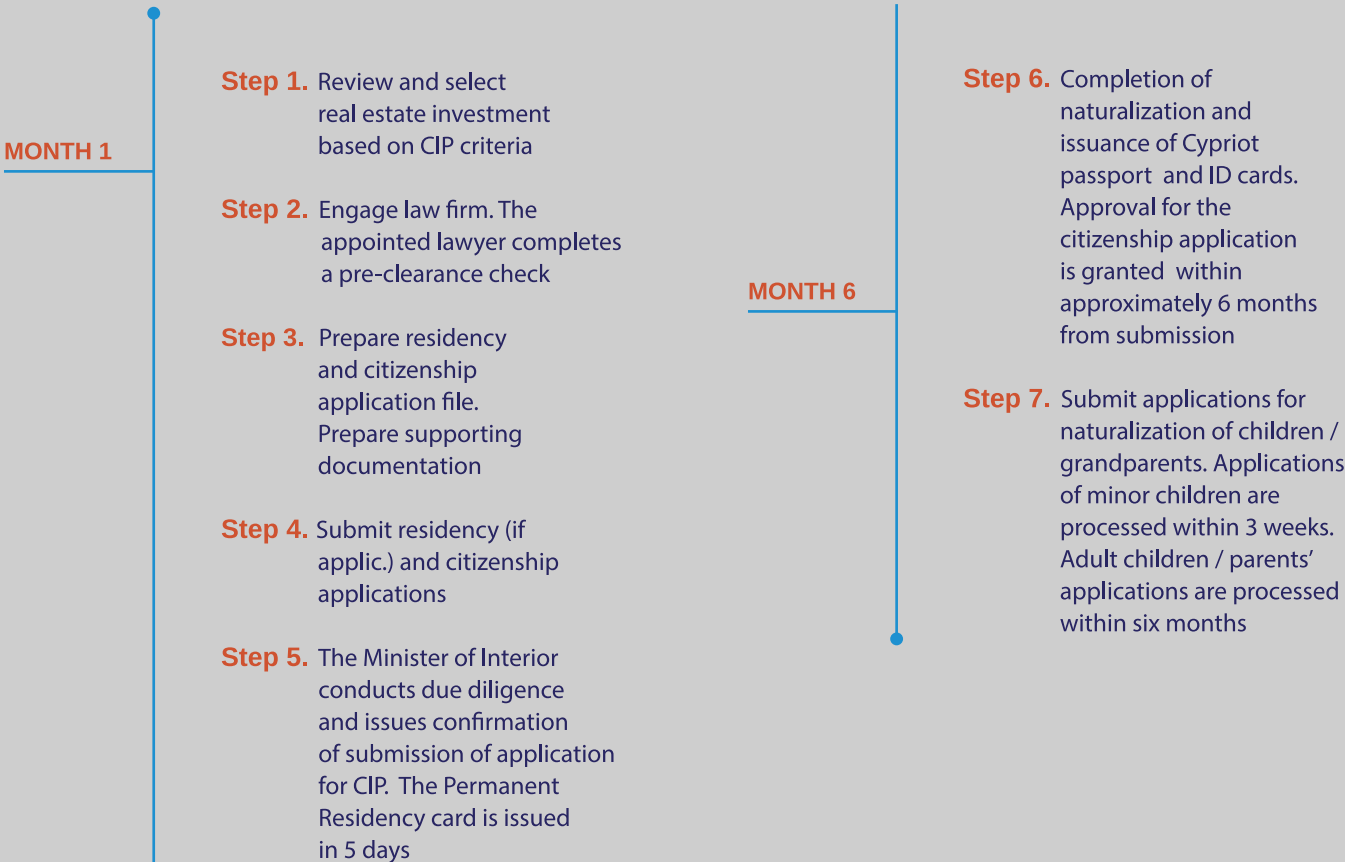

CRITERIA

- Investors will be required to keep their investments for a period of at least 5 years from the date of the investor's naturalization
- In the instance where a residential property is acquired from another investor who had previously used it to apply to the CIP, the required investment amount is increased from €2 million to €2.5 million
- For any investments relating to the purchase of real estate or property, the following documents will be required:
 1. Planning permit
 2. Certificate of completion of the property (in the case of completed properties).
In the case where the property is under construction, at least 5% of the total value of the property should be blocked by a bank guarantee in which the relevant amount will only be released to the vendors upon the completion of the property
 3. In cases where there is a mortgage on the property to be acquired, a bank waiver will be required

FUNDS ARE DEPOSITED IN SECURE ESCROW ACCOUNT AND ARE GUARANTEED REFUNDABLE IN CASE APPLICATION IS DECLINED

ACADEMIA TOWER

LARNACA TOWN CENTRE

A 7-floor luxury apartment building excellently located in Larnaca town centre, in a quiet residential area behind the American Academy school, providing easiest and safest access to the school and close to amenities. The famous Finikudes promenade is only 700m away. Larnaca also hosts the main International Airport that is only 8.3 km away.

The first 5 floors host three, 2-bedroom apartments on each floor, whereas the 6th/7th floor hosts three, 3-bedroom apartments, that all boast high quality construction with Smart home provision and class A energy efficiency. The sectioned architectural design of Academia Tower provides for independent positioning of the apartments on each floor, with hardly any shared walls, offering maximum privacy. The south orientation of the project means that the apartments are light and airy.

All flats on this project consist of open plan living and kitchen area, 2 or 3 bedrooms (master with en-suite shower), main bathroom and covered veranda that could be utilized differently. There is ground floor covered allocated parking and roof garden. The top floor apartments located on the 6th floor also enjoy individual access to their allocated roof garden on 7th floor with wc and shower room, electrical room and barbeque area, offering views of the surrounding area.

The top floor apartments also benefit from solar panel net metering, offering the prospective buyer an extra financial incentive.

All apartments come with an Audio & Video Door Entry System and a remote control for automatic bar opening for occupants.

An attractive investment with a high yield return on rentals.

IRINI GARDENS

DEKELIA ROAD, LARNACA

An appealing residential project on Dekelia road consisting of modern design houses that boast high quality construction, electrical provision for Smart Home system and quality finishes.

Excellent location on the Larnaca-Dekelia road, only a short walk to the sea, offering beautiful unobstructed views of the Mediterranean and the surrounding area. Larnaca town centre and the Finikudes seafront are only a 5 minute drive away. Larnaca International Airport is at a distance of 11,5 km.

The coastal region of Dekelia road has witnessed several multimillion investments into new projects, as well as infrastructure improvements, making it the most sought-after area in the Larnaca region.

MARINA COMPLEX

DEKELIA ROAD, LARNACA

A unique residential complex located on Dekelia road, the most sought-after area in Larnaca. This location combines a quiet environment, while at the same time being close to all amenities. One of the many sandy Blue Flag Beaches is only a two minute walk away. Larnaca town centre with the Finikudes promenade and private schools such as American Academy can be reached in 10-minutes by car. Larnaca International Airport is 15 minutes away via the easily accessible highway that links all major towns in Cyprus.

The project consists of modern design detached houses with high quality construction and finishes, with SmartHome provision. Each property consists of open plan kitchen and living area, with guest wc on the ground floor. The first floor hosts the 3 bedrooms (master with ensuite) and main bathroom. Externally there is parking and a garden that could accommodate a swimming pool. The corner house also boasts a roof garden, offering beautiful views of the Mediterranean Sea.

SOPHIA GARDENS

DEKELIA ROAD, LARNACA

Sophia Gardens is a unique collection of modern detached houses and bungalows set on a private cul-de-sac project.

Excellently located in a quiet area on the Larnaca - Dekelia road, combining quiet living and easily accessible amenities, Sophia Gardens offers the ideal environment for families. One of the many Blue Flag sandy beaches that can be found in this area is only 170m away. The highway linking all major towns in Cyprus can be easily reached, making the Larnaca International Airport only a 15 minute drive away and only 25 minutes to the famous Ayia Napa and Protaras resorts.

The quiet location away from the city's hustle and bustle but at the same time offering all city living amenities only a 10-minute drive away, make these homes ideal as a permanent residence and family living.

ZOE GARDENS

LIVADIA LARNACA

Zoe Gardens project is only 1.2km from the sea and has a total area of 12,495 square meters. The land can be divided into 14 individual plots accommodating a housing complex consisting of 3-bed linked-detached houses or three-storey apartment complex consisting of 80 two-bed and 50 one-bed flats. All our projects have high quality construction standards and electrical provision for SmartHome system.

The area of Livadia offers a quieter environment compared to the city that is easily accessible. The Larnaca town centre and the Finikudes Promenade are only a 5 minute drive away.

Easy access is also offered to all major towns in Cyprus; Nicosia, Ayia Napa and Limassol. Larnaca International Airport is 15 minutes away.
